WAYNE & SILVER

The Property

A unique opportunity to acquire a sizeable residence in one of the most desirable closes in Hendon. The house occupies a larger than usual plot of approximately 0.25 acres in a quiet cul-de-sac and offers the incoming purchaser the opportunity to refurbish and reconfigure the current home, or redesign a bespoke house.

There is scope to extend into the existing loft space to provide further bedroom accommodation, as well as the potential for substantial rear and side extensions to create additional living accommodation and pursue significant development potential (STPP).

The current house offers a wide rear garden measuring approximately 120 ft, together with a separate garage and additional garden storage.

Internally the property currently features up to five reception rooms, five bedrooms and two bathrooms.

A truly rare and remarkable opportunity for an incoming purchaser.
