Outside

There is no doubt that the gardens and land are wonderful selling points for the property, and opportunities like this are becoming far & few between. The gardens surrounding the bungalow are spacious and comprise level lawn areas, patio, growing beds, greenhouses and garden sheds. The lawns extend down to the river and are planted with mature trees and shrubs. The wooded area extends to the property boundary, which also features the ruins of an old stamp which is the property's namesake. Long private drive leads to a generous parking area in front of the garage and workshop. From here, gated access leads up to the paddocks that are included with the property. The land is arranged over 6 paddocks with clear defined boundaries. From the top paddock, there are wonderful views to St Michaels Mount.

Garage and outbuilding

There is a good size garage providing space for two vehicles and space for work benches. To the right of the garage is a structure that offers potential for a workshop or just for further storage.
