Goldsmith House | Repton Park | Woodford Green | IG8

£625,000

A beautifully proportioned apartment set within the private, gated grounds of Repton Park, offering exceptional space, natural light and far-reaching views.

The reception room is notably oversized, creating a calm and expansive living environment, while each room within the apartment enjoys uninterrupted outlooks across the parkland and towards the London skyline.

The principal suite is particularly impressive in scale, complete with two full-sized double wardrobes and a sense of quiet separation. A second double bedroom and two bathrooms, including an en-suite, complete the accommodation.

The apartment has been thoughtfully maintained and updated, featuring a modern kitchen with granite worktops, a striking mirrored feature wall and newly installed radiators throughout.

Positioned within one of Repton Park's most desirable buildings, this is a home that combines volume, outlook and long-term value — equally suited to a private owner or a strategic investment within a consistently strong rental market.

Benefits include CCTV, 24-hour concierge & security patrol guards, and an exclusive Virgin Active spa, gym, café, and swimming pool on site.
