

Hartfield House, Halford, Shipston-on-Stour, CV36 5DL

Nestled in the charming village of Halford, Shipston-on-Stour, this exceptional detached house offers a unique blend of modern luxury and serene countryside living. Completed in 2013, this architect-designed property spans approximately 4,000 square feet (inc garage) and is set within a generous 1.33-acre plot, providing ample space for both relaxation and entertainment.

Three elegantly appointed reception rooms are each designed to maximise natural light and provide a welcoming atmosphere. The spacious layout is perfect for family gatherings or entertaining guests, while five well-proportioned bedrooms ensure comfort and privacy for all. With a large family bathroom and three en-suites, this home caters to the needs of a modern family with ease.

- Distinctive, architect designed property completed in 2013
- 360 degree panoramic views
- Outstanding countryside surrounding the property
- Located on a quiet lane
- Approx 4,000 sq.ft. inc garage
- 1.33 acre plot
- High specification and exacting attention to detail
- Light, spacious and flexible accommodation including vaulted ceilings and full height windows

£1,495,000

One of the standout features of this property are the breathtaking 360-degree views, allowing you to enjoy the beauty of the countryside from the comfort of your own home. Notably, the full-height south facing windows in the master suite offer the perfect opportunity to spot local wildlife, including rabbits, deer, otters, woodpeckers, buzzards, owls and kites.

The expansive outdoor space offers endless possibilities, whether you envision a flourishing garden, a play area for children, or simply a tranquil retreat to unwind and stargaze. The property also includes a double garage, covered car port, secure shed and small mixed orchard.

This remarkable home in Halford is not just a place to live; it is a lifestyle choice that combines elegance, comfort, and the beauty of rural living. With its prime location and impressive features, this property is sure to appeal to discerning buyers seeking a truly special residence.

Hartfield House was designed by Sjolander da Cruz architects and constructed using structural insulation panels. The property benefits from ground source heating, a rainwater harvesting system, integrated vacuum system, heat recovery ventilation system, a Lutron lighting system and aluminium powder coated Danish design window frames by Velfac.
