Well presented throughout, the property offers high-quality accommodation arranged over two floors, together with attractive private gardens enjoying a southerly aspect.

### ACCOMMODATION

A front door leads into the sitting room which is a particularly attractive and well-proportioned room, featuring engineered oak flooring and stairs rising to the first floor.

The cloakroom is fitted with a WC and wash hand basin, and has under floor heating.

The L-shaped kitchen/dining room provides an excellent sociable living space, incorporating a well-equipped kitchen with a range of fitted cupboards and drawers, and attractive wood block surfaces, sink unit, Bosch appliances including gas hob, built-in oven and microwave oven above. A breakfast bar provides additional seating and workspace, while the engineered oak flooring continues through the room.

The dining area opens into a delightful sitting area. Two sets of bi-folding doors provide a wonderful connection with the garden, while an attractive glazed atrium allows natural light to

flood into the room and creates a bright and airy environment.

The first-floor landing provides access to both bedrooms and the family bathroom, together with cupboard housing an Ideal dual boiler.

Bedroom One is a well-proportioned double bedroom with the benefit of an en-suite shower room, fitted with a WC, wash hand basin and shower cubicle with Hansgrohe shower.

Bedroom Two enjoys views towards the surrounding gardens.

The family bathroom is fitted with a WC, wash hand basin and bath with Hansgrohe shower over and glass screen.

### OUTSIDE

The property is approached via a five-bar gated entrance, leading to a stone-gravelled private driveway providing off-road parking for two

cars. The parking is accessed from Rivermead Drive and provides excellent privacy and security.

The rear garden is a particular feature of the property, being attractively landscaped and enjoying a desirable southerly aspect. A paved terrace provides an ideal area for outdoor dining and entertaining, leading onto a level lawn with well-stocked planted borders and established apple trees.

The gardens are enclosed by a combination of timber fencing and mature hedging, creating a private and secluded setting. There is also gated side access.
