ACCOMMODATION

Sitting room with feature brick fireplace having connection for log burner (not checked), built in storage to side of fireplace, bay window to front, door to partial cellar space. Family room with built in stove, velux roof lights and door to garden. Kitchen with matching wall, base and drawer units with work surface over and incorporating one and a half bowl stainless steel sink and drainer unit, integrated oven, four ring gas hob and overhead extractor, integrated fridge freezer. Utility with matching base cupboards, work surface over incorporating stainless steel sink, space for washing machine and door to garden. Cloakroom with wc and wash hand basin with storage under.

Landing with loft access. Two double bedrooms (one with built in cupboard) and a third single bedroom. Bathroom with white suite comprising bath with hand held shower over, sink with storage under, wc, wall mounted heated towel rail.

Outside to the rear is a paved patio with steps leading to garden mainly laid to lawn with a wood chipped childrens' play area at the rear, enclosed by both wall and fencing. There is also a timber cladded outbuilding built onto the house with upvc doors and power, that with a little conversion we believe could make an ideal home office space. PLEASE NOTE this does not have current Building Regulations. To the front is a hardstanding that would accommodate one car, but access to it is via a raised kerb. Permission to drop the kerb would need to be sought from the Council.
