Available July 2026 | 1,044 sq ft (Approx. 97 sq m) | Two Bedrooms, Two En-Suites & Family Bathroom | Private Underground Parking | Balcony

Bowson presents this third-floor apartment in the Centralofts development, NE1 — one of the largest and best-presented apartments in the building, renovated throughout and offered fully furnished.

The renovation has leaned into the building's bones. Vaulted ceilings and the kind of proportions that modern city-centre apartments rarely offer have been matched with an interior fitout that carries genuine Manhattan-style Art Deco character. The open-plan lounge and kitchen is the natural centre of the apartment, light, well-proportioned, and opening onto a private balcony overlooking Waterloo Square.
