Calne & The Surrounding Areas

Calne is a market town steeped in history, with a rich heritage of traditional industries including textile production and Wiltshire ham. Calne is the birthplace of Joseph Priestley, the discoverer of oxygen, who conducted his experiments at nearby Bowood House. Idyllic countryside surrounds the town with brilliant walking routes and nearby villages with abundant traditional country pubs. While in the town, you'll find cafes, a microbrewery, and a variety of independent and high-street shops, supermarkets, and eateries. There is a good selection of local primary schools and secondary schools. There are GP and Dental surgeries with three leisure centres with swimming pools, fitness suites, and health classes. There is also the ever-popular Calne Football, Rugby, Cricket and Tennis Clubs, and a great cycling and running community to name a few. To the east down the A4 you will pass Cherhill White Horse, Silbury Hill, Historic Avebury, and then onto Marlborough. To the west is Bowood, Chippenham, Bath and the M4 westbound. To the north is Royal Wootton Bassett and the M4 eastbound.

Location

The property is positioned on a modern development that has been built in recent years. Ideally placed to the North of the town, the home is in the catchment for multiple primary schools and also a secondary school. The multiple facilities of the town are easily accessed and close by are excellent walking routes, open countryside and access to the 404 cycle route. There is good access to public transport with the 40a/40c bus stops on nearby Hurricane Drive and with easy links to the Calne bypass and town centre.
