A butler sink is set into oak worksurface and there is a breakfast bar with added storage. There is understairs storage, electronic velux windows with rain sensors, plenty of space for a dining set and windows and doors which overlook and afford access to the rear garden.

Stairs rise to the first floor landing providing access to the loft with drop down ladder and the remainder of the accommodation. Bedroom one is a generous size, carpeted and overlooks the front with distant countryside views. Bedroom two, again a good size double overlooks the rear. Bedroom three, a single overlooks the rear.
