First floor apartment forming part of this very popular development in the heart of Peacehaven. From its own front door stairs rise to the open plan living area - being dual aspect the apartment makes the most of the natural light on offer and helps to create a real feel of space. The living area is generous and will easily accommodate both soft furnishings and a table and chairs. There is also a handy storage cupboard, perfect to hide the Hoover away. Open plan to the living space is the extremely well fitted kitchen, here you will find an abundance of matching cupboards, drawers and contrasting work surfaces, not forgetting some integrated appliances. Two bedrooms are offered, the master overlooks the rear of the apartment and has a large built in wardrobe, bedroom two is positioned to the front and also has the advantage of built in wardrobes too. Completing the interior is the very well presented bathroom/WC which consists of an enclosed panelled bath, wash basin and WC, all of which are complimented by neutral tiling. Lastly parking will not be a concern as not only is there an allocated parking space but on road parking is unrestricted too.
