RENT TO BUY

Phillip Mann Estate Agents are delighted to offer this 2 bedroom apartment on this modern development. Please contact us to find out if you qualify and would like to arrange a viewing.

Rent to Buy is a scheme which allows you to rent a home at 80% of the market value rent, providing you with the opportunity to save towards a deposit to then go on and buy your home. The property will be let on Assured Shorthold tenancies for a maximum of 3 years giving you plenty of time to build up a deposit, after which Stonewater will provide you with an opportunity to buy 100% of the home you know and love.

Safford Park by Stonewater Homes is presented in an excellent location surrounded by the South Downs, Newhaven is only 9 miles from Brighton, which is 20 minutes via the coast road and is 30 minutes by train. There are good links to London and a ferry port which provides regular crossings to France.
