The property benefits from having no on-ward chain, double glazed windows, gas central heating and versatile accommodation with study, two bath/shower rooms and double garage.

The property is conveniently located for easy access via road or bus along the A259 into Seaford town centre as well as direct coastal routes into Eastbourne and Brighton.

The property offers exceptionally spacious and flexible accommodation over two stories;

A smart and welcoming entrance hall, with built in storage, leads into an impressive 29ft L-shaped living and dining room, featuring a dual aspect, bay windows and fireplace.

Ground floor accommodation continues with the well equipped fitted kitchen, two of four of the double bedrooms and useful ground floor shower room.

A larger inner hall or study room has stairs rising upto the first floor, occupied by the two further excellent sized double bedrooms and served by the first floor bathroom.

The extensive rear garden has been beautifully landscaped with a large paved patio seating area immediately from the property, leading onto lawn and bordered by raised sleeper flower beds and steps/path upto a further, raised seating area. There is a large hard standing to one side, accessed via double vehicle gates offering additional parking or potential for a garden store/summer house or motor home.

The attached double garage comes complete with power and lighting, twin garage doors to the front and a personal door from the rear garden. Additional, multi-vehicle parking is provided on the approaching driveway.

Considered to be in good, well maintained order throughout, and with its exceptional dimensions, potential for further development (subject to usual consents) and flexible two storey accommodation, an internal viewing, by appointment only, is considered essential to be fully appreciated.
