moredetail...

Set within a secure gated development, Corsica Hall enjoys an elevated setting surrounded by beautifully maintained communal gardens, with breath taking views across the sea and surrounding headlands. Flat 3 is arguably the finest positioned apartment in the building, occupying the entire southernmost ground floor and boasting spectacular, uninterrupted 180-degree coastal views. Accessed via its own private entrance, the impressive main reception room immediately showcases the home's remarkable attention to detail, with a view from the reception room of the iconic Seaford Head and the golf course. A wealth of original features, including ornate ceiling cornicing and corbels, blend seamlessly with solid oak flooring, panelled walls, and a striking wood and marble fireplace, creating a refined yet welcoming living space.

An inner hall provides access to the communal entrance as well as useful understairs storage. The kitchen/breakfast room is both stylish and practical, offering space for informal dining and fitted with a range of high-gloss cream units, granite work surfaces, and Italian marble flooring. Integrated appliances include a fridge/freezer, dishwasher, washing machine, gas hob with extractor, and electric oven, while a skylight floods the room with natural light.

A standout feature of the apartment is the magnificent bedroom suite. Rich in character, it mirrors the elegance of the reception room and benefits from dual-aspect views across Seaford Bay towards the iconic Martello Tower. Generously proportioned, the room accommodates both sleeping and seating areas, centred around a beautiful wood and tiled fireplace. Steps lead up to a luxurious en-suite bathroom, fitted with a contemporary suite including a corner bath, WC, twin wash basins, heated towel rail, and Italian marble tiling throughout.

A separate WC off the kitchen provides added convenience for guests.
