This charming fisherman's cottage is located just off Seaford Esplanade enjoying stunning sea views, just a 'stones throw' from the beach and would make a lovely holiday home or full time residence. The busy seaside town of Seaford is within a 15 minute walk and offers a good selection of shops, pubs and restaurants. Seaford train station has good links to Gatwick/London Victoria and there is a regular bus service close by.

As you enter the property, you will be welcomed into a spacious living room with an open fire and multiple seating arrangements.

Following through, you will find the dining room fitted with storage space, wood burner, space for a dining table and the staircase to upstairs.

The kitchen includes, multiple base and wall hung units, washing machine space, oven with induction hob, stainless steel sink/drainage and a lovely wooden door to the courtyard garden and an outside W/C.

Heading upstairs, straight opposite is a small storage room which is very handy.

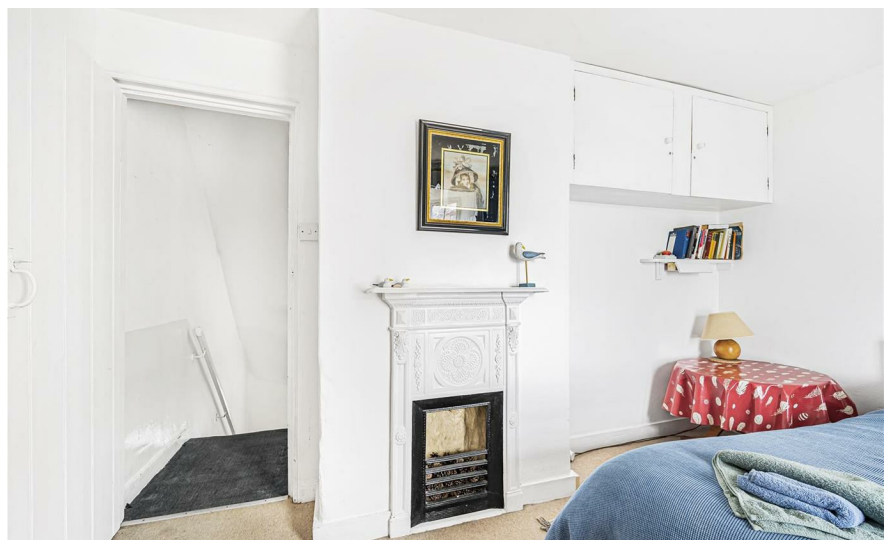

Down the hall, the master bedroom is a good size double bedroom with lovely sea views, space for chest of drawers, bedside table space and also built in storage wardrobes.

The family bathroom is on this level and includes, bath with electric power shower, frosted glass windows, sink handwash basin and a regular W/C.

The top floor consists of two bedrooms, bedroom two is again a double bedroom with built in wardrobes, space for chest of drawers and a bedside table.

Bedroom three is again a good size room with plenty of space for chest of drawers, bedside tables and also includes a wash hand basin.

Viewings are highly recommended if you are wanting a cosy cottage close to the seafront.
