Modern & Versatile Family Home

If you are looking for a modern, versatile and well-presented link-detached house in a quiet and popular close, then look no further than here. Having undergone a large degree of modernisation in recent years, this superb home is offered in excellent decorative order throughout and is ready to move straight into. Ideally positioned within walking distance of local school and regular bus services to Brighton and beyond, with open fields and countryside walks also close by.

The central hallway provides useful understairs storage and leads to the spacious lounge/dining room, which offers plenty of space for all your associated furniture. This creates an excellent additional extended, reception space and enjoys pleasant views over the rear garden, making it an ideal place to sit and relax.

The modern refitted kitchen/dining room lies to the front and incorporates a great range of modern units, ample working surfaces and integrated appliances, whilst still providing plenty of room for a large breakfast bar. Two west facing windows overlook the garden.

A versatile fifth bedroom is located on the ground floor and offers a variety of potential uses, whether as a bedroom, home office or gym – the choice is yours. A useful utility room and cloakroom/WC complete the ground floor accommodation.

Four further bedrooms are arranged upstairs, with the master benefiting from a refitted en-suite shower room/WC with shower cubicle, basin and WC. The remaining bedrooms are served by the refitted family bathroom/WC, incorporating a bath, basin and WC.

Outside, the front garden is complemented by a private driveway providing off-road parking for two/three vehicles. The large, sunny rear garden is a fantastic feature, being mainly laid to lawn with a raised decked area, and patio it is ideal for adults to relax and entertain, while providing plenty of space for children to enjoy.
