68 Court Farm Road, Longwell Green, Bristol, BS30 9AD

Enjoying a generous plot on one of Longwell Green's most sought-after roads, this sympathetically extended three double bedroom detached bungalow offers spacious and highly versatile accommodation, further enhanced by a newly constructed one bedroom detached annexe, that is ideal for multi-generational living.

Internally, the main residence is centred around a welcoming and expansive entrance hallway, providing access to the majority of the ground floor. This includes a bay-fronted lounge, a cosy snug with staircase rising to the first floor, and an impressive full-width family/dining room measuring 7.2m (23'7") in width, perfectly suited to both everyday living and entertaining. The accommodation is complemented by a high-quality fitted kitchen with a central island, alongside a useful utility room. The ground floor also hosts two generous double bedrooms, with the second bedroom benefiting from a walk-in dressing room and en suite shower room, while the third bedroom also enjoys its own en suite facilities. To the first floor, a substantial principal bedroom suite measuring 9.3m x 5.5m (30'6" x 14'9") provides a peaceful retreat, enjoying views over the rear garden and served by an en suite WC.

The property is further enhanced by a newly constructed detached annexe positioned within the rear garden. Measuring approximately 12m x 4.3m (39'4" x 14'1"), the annexe is in the process of being completed and offers excellent independent living space, comprising a lounge, double bedroom and en suite shower room- perfect for extended family, guests or potential income (subject to any necessary consents).

Externally, the front of the property is predominantly laid to stone chippings and hardstanding, accessed via a dropped kerb, providing ample off-street parking alongside a long driveway that extends to the rear. The rear garden has been thoughtfully landscaped to create a walled Mediterranean-style setting, featuring a spacious covered seating area and generous patio, centred around a striking fountain and complemented by well-stocked flower beds, mature planting and several small trees. A further covered pergola provides an additional seating area. From here, a low-maintenance, block-paved and stone-chipped garden serves the annexe, offering direct access and a sense of separation. This area leads through an attractive archway to a more formal rear garden (that offers lapsed planning for a separate dwelling), which is mainly laid to lawn and enhanced by established flower beds, a feature pond, several small trees and an additional covered seating area.
