Enjoying a convenient position set back from the road, this well proportioned two double bedroom semi-detached home, originally configured as three bedrooms, offers versatile accommodation enhanced by a conservatory extension to the rear.

The ground floor comprises a useful entrance porch leading to a bright and airy lounge with a bow window. The lounge opens into a separate dining room, which in turn provides access to the conservatory, while a fully fitted kitchen completes the ground floor accommodation. To the first floor are two generous double bedrooms (formerly arranged as three bedrooms and offering the potential to reinstate the original layout if required), and a modern three piece shower room which completes the accommodation.

Externally, the property is approached via a shared driveway leading to a private hardstanding driveway and single garage. The wraparound rear garden is laid to level lawn and benefits from generous stone chipping seating areas to the rear and side, providing ample space for outdoor dining and entertaining. Several mature trees offer a good degree of privacy, while a timber shed provides useful additional storage.
