Property Description

Strawberry Farm is an outstanding country residence, combining timeless character with modern comforts and set within an idyllic rural setting. With elegant interiors, versatile outbuildings and extensive equestrian facilities, the property offers a rare opportunity to embrace the very best of refined country living, all within easy reach of excellent transport connections.

Stepping through the front door, the entrance hall immediately sets the tone with exposed beams – a feature that flows throughout the home. The principal reception room is a wonderfully inviting space, complete with a wood-burning stove, feature fireplace, exposed timbers and French doors opening to the courtyard, perfect for summer entertaining. A separate study and guest cloakroom add convenience, while the adjoining dining room and kitchen create a natural heart of the home. The kitchen has been thoughtfully designed with a central island, integrated appliances and a stable door to the courtyard. A stunning conservatory, bathed in natural light, provides additional space for everyday living, with French doors leading onto a private, stone-paved terrace – ideal for al fresco dining.

Upstairs, the generous landing enjoys open views across the paddocks. The principal suite combines rustic charm with modern luxury, featuring exposed beams, a walk-in wardrobe, fitted wardrobes and en suite shower room. Three further double bedrooms and a beautifully finished family bathroom with roll-top bath and walk-in shower complete the accommodation.

Approached via a gated entrance along Whitby Lane, the property is framed by mature gardens to the front, with ample parking and turning space beyond – perfectly suited for equestrian or country pursuits.

The outbuildings are a particular highlight, offering exceptional versatility. There are five brick-built looses boxes and a tack room, and there are two full-sized stables and wash down bay.

A substantial two-storey brick-built building currently provides garaging, a utility room, cloakroom, office and an impressive first-floor open-plan space. This lends itself effortlessly to a home office, studio, or secondary accommodation (STPP). All outbuildings benefit from mains water and power.

In all, Strawberry Farm represents a unique lifestyle opportunity – a property that balances period character, modern living and outstanding facilities, whether for family life, entertaining or equestrian use.
