Ground Floor

The ground floor offers a superb blend of open-plan space and separate reception areas, ideal for modern lifestyles while still retaining traditional flexibility

- The welcoming entrance hallway sets the tone with tiled flooring, impressive glass balustrade staircase, contributing a clean, contemporary feel to the home's traditional architecture.

- At the rear, the extended open-plan sitting and dining room 7.95m x 4.04m (26ft 1 x 13ft 3) opens directly onto the patio via the French doors. Its generous proportions create a wonderful, sociable environment for both everyday living and large-scale entertaining. With its garden-facing orientation, this room enjoys lovely natural light and a tranquil, leafy outlook.

- The kitchen, replaced within the last five years, provides ample workspace and storage, along with

room for a breakfast table. French doors open directly onto the rear garden, allowing seamless indoor-outdoor living and making this a naturally inviting space for morning coffee, family meals or informal gatherings.

- To the front is the family room/second reception 4.80m x 4.06m (15ft 9 x 13ft 4) a versatile space ideal for a children's lounge, playroom, music room, study or home office. Its position and proportions make it adaptable to a wide range of uses.

- A well-appointed ground-floor shower/cloakroom adds valuable practicality, ideal for guests, busy households or those returning from the Downs after a walk or run.

Heating is provided throughout by a modern German electric system. Gas is connected to the property and currently capped in the garage, allowing future reinstatement if preferred.

First Floor

- The first floor offers four well-proportioned double bedrooms, each bright and appealing, but the clear showpiece is the extraordinary size of the principal bedroom suite, measuring a remarkable 7.02m x 4.61m (23ft x 15ft 2). Flooded with natural light and enjoying a tranquil outlook across the rear garden, this room feels generous even by BS9 standards. Crucially, its size provides an exceptional opportunity to create a luxurious ensuite bathroom and a substantial dressing area, transforming it into a boutique-style primary suite.

- A modern, well-presented family bathroom serves the additional bedrooms and includes a

shower-over-bath and contemporary fittings. An additional modern separate WC with washbasin on this floor ensures excellent comfort and convenience for family living.

Outside

The outside space enhances the property significantly. The 80ft rear garden is both generous and beautifully established, presenting a wonderful combination of mature planting, privacy and lawned areas. It offers scope for landscaping, home growing, children's activities, or simply enjoying the quiet setting. Its scale also supports the potential to extend if future owners wish to enlarge the house.
