ACCOMMODATION

Please see the floorplan for the room measurements and property layout.

The property benefits from quality uPVC windows and doors throughout, complemented by the original timber front door, which enhances the property's kerb appeal.

Occupying a desirable position on Lake Road, this attractive detached bungalow has been thoughtfully enhanced and maintained by the current owners. Originally dating from the 1930s, the property benefits from significant improvements, including a brand new roof and previously a well-executed extension that has enlarged the family bathroom.

The accommodation is arranged around a welcoming central hallway, providing access to all principal rooms. The spacious bathroom is fitted with a contemporary four-piece suite comprising a bath, separate shower enclosure, wash hand basin and WC.

The impressive kitchen, fitted with a range of matching wall and base units, generous work surfaces and integrated appliances including an oven, hob and dishwasher. Double doors open directly onto the rear garden and also connect seamlessly to the dining room, creating an excellent space for everyday living.

The property offers exceptional flexibility, with three further well-proportioned rooms that can be adapted to suit individual requirements. Currently arranged as a sitting room and two double bedrooms, the accommodation could easily accommodate additional reception space if needed. The bay-fronted sitting room enjoys a sunny aspect and features an attractive corner fireplace, while original internal doors and picture rails add character and charm. Throughout, the décor is presented in excellent order.

OUTSIDE

Externally, the home is approached via a smart frontage providing off-street parking together with an EV charging point. Gated side access leads to the rear garden and detached garage.

A particular highlight is the beautifully rear garden. The level plot combines a lawn area and generous paved patio with mature tree and shrub borders. Enjoying a favourable aspect, the garden receives sunlight throughout the day and into the evening, creating an ideal setting for outdoor relaxation and entertaining.
