GROUND FLOOR

The heart of the home is the impressive remodelled kitchen, which has been complemented by a superb single-storey rear extension. Flooded with natural light, this creates a wonderful open-plan space for everyday living, dining and entertaining. Two further reception rooms provide excellent flexibility, with one currently arranged as a dining room and playroom.

To the side of the property, the former garage has been cleverly converted to provide an additional ground-floor bedroom or home office, complete with an adjoining shower room and WC. With direct access to the garden, this versatile space could be ideal for guests, working from home or multi-generational living

FIRST FLOOR

Upstairs, there are three well-proportioned bedrooms and a contemporary family bathroom. There is also clear potential for a loft conversion, subject to the necessary permissions, should further accommodation ever be required. Further benefits include solar panels, while the overall feel of the property is bright, welcoming and exceptionally well considered.

EXTERNALLY

To the rear, the generous south-west facing garden is a particular highlight, enjoying sunshine throughout much of the day. Beautifully arranged and easy to maintain, it provides a lovely extension of the living accommodation, with plenty of space for children, outdoor dining and entertaining.

To the front, a private driveway provides off-street parking for two vehicles. The property is set within an established and friendly residential setting, making this an excellent choice for families looking for both space and convenience.

Well positioned to enjoy the best of North Bristol, the property sits within easy reach of both Westbury-on-Trym and Henleaze, two of the area's most sought-after neighbourhoods. Both offer a fantastic selection of independent shops, caf  s, delis, restaurants and traditional pubs, alongside a strong sense of community.

SOLAR PANELS

The house benefits from 12 solar panels 3.84 kW installed+ a 2.4kWh battery
