GUIDE PRICE
£500,000

A modern double-fronted detached residence offering flexible accommodation over two floors. Set back from the road, it enjoys a tucked-away position with private parking, a garage, and an enclosed rear garden that backs onto Trinity School playing fields—ideal for families.

The ground floor comprises a welcoming entrance hallway with access to a downstairs cloakroom. A generously sized sitting room features a fireplace and rear-facing French doors opening onto the patio and garden, creating a bright and relaxing living space. From here, double doors lead through to the spacious kitchen/dining room, which is fitted with an array of matching wall and base units, a breakfast bar, integrated electric oven, gas hob with extractor, fridge and dishwasher. Further French doors also open onto the rear garden.

A separate utility room provides useful additional workspace and storage, with plumbing for a washing machine, a wall-mounted gas boiler, and external side access. A study/home office at the front of the property completes the ground floor layout, ideal for remote working or use as a playroom.

Upstairs, a light-filled galleried landing leads to four bedrooms. The principal bedroom features fitted wardrobes and an en-suite shower room. A second double bedroom also benefits from built-in storage and its own en-suite. Two further bedrooms are served by the main family bathroom, which is fitted with a modern white suite.

Outside

The property is approached via a shared drive leading to a block-paved parking area with space for up to three vehicles. The semi-detached garage with pitched roof and up-and-over door provides further parking or storage space. To the rear, the enclosed garden is a standout feature—offering a paved patio, steps leading up to a level lawn, and well-stocked planting beds with mature shrubs and flowering plants. A side gate provides convenient access from the front.
