# A WELL-PRICED FOUR-BEDROOM DETACHED FAMILY HOME, IDEALLY POSITIONED ON A HIGHLY SOUGHT-AFTER DEVELOPMENT THAT WILL SOON BENEFIT FROM DIRECT RAIL LINKS TO BRISTOL.

This four detached family home is located within the exclusive St. Katherines Park development in the desirable village of Ham Green — a peaceful, semi-rural setting that offers the perfect balance of countryside tranquillity and convenient access to Bristol and surrounding areas. Boasting over 1,340 sq. ft of well-appointed living space, including the garage, this home is ideally suited to growing families or those seeking versatile space in a serene environment.

The front exterior is both attractive and practical, with a block-paved driveway offering ample parking and direct access to the garage. The well-maintained lawn is framed by established shrubs, trees, and flowering plants, giving a sense of privacy and natural charm. Side access leads conveniently to the rear garden. Step inside to a welcoming entrance hallway, where natural light, neutral décor, and a sense of space greet you immediately. From here, doors lead to a generously proportioned bay-fronted living room, a convenient downstairs WC, and the large kitchen/dining area at the rear. The living room is warm and inviting, perfect for relaxing with family, with a wide bay window that allows light to pour in. An archway connects this space to the dining area, ideal for entertaining or casual family meals. The kitchen/breakfast room is well-equipped with plenty of worktop space and storage, while a separate utility room keeps laundry and appliances neatly out of sight. The dining area opens through to a conservatory, a wonderful additional space with views across the garden — perfect as a reading nook, play area, or morning coffee spot.

Upstairs, the home offers four bedrooms, three of which are generous doubles. The master bedroom features a full wall of bespoke fitted wardrobes and a stylish ensuite shower room, creating a peaceful and private retreat. The second bedroom also benefits from fitted wardrobes and plenty of natural light. A family bathroom completes the upstairs accommodation, fitted with a three-piece suite including a panelled bath, pedestal wash hand basin, and WC.

The rear garden is a blank canvas with enormous potential, beginning with a

paved patio area stretching across the rear elevation, ideal for alfresco dining or summer entertaining. Beyond the lawned area, a row of mature Leylandii trees provides privacy, though they could be removed to unlock additional space and further enhance the garden’s usability.
