GOODMAN
& LILLEY

AN EXCITING OPPORTUNITY TO ACQUIRE A FOUR-BEDROOM DETACHED BUNGALOW, POSITIONED ON A GENEROUS CORNER PLOT, AND OFFERING EXCELLENT POTENTIAL FOR MODERNISATION.

This property presents the perfect blank canvas for those looking to put their own stamp on a home. With spacious accommodation throughout and a sizeable garden, it is ideal for downsizers, renovators, or families looking to create their dream home in a desirable residential setting.

Upon entering the property, you are welcomed by a spacious entrance hall with original parquet flooring, which adds a touch of character and leads to all principal rooms. To the front elevation, the kitchen is fitted with a range of wall and base units with worktops over and enjoys a pleasant outlook. While functional in its current form, there is clear scope for updating, with the layout offering the potential to knock through into the adjacent dining area—currently part of the dual-aspect living room—to create a modern open-plan kitchen/dining space. The living room spans along part of the rear elevation and is flooded with natural light thanks to large French doors that lead directly out to a raised patio area, which in turn steps down to the main garden—ideal for relaxing or entertaining in the summer months. Moving through the bungalow, you will find three well-proportioned bedrooms, all of which offer flexibility for use as sleeping accommodation, a home office, or hobby space. A family bathroom and a separate cloakroom complete the internal layout.

Throughout the property, there is significant potential for reconfiguration and improvement, making this an exciting prospect for those looking to create a home tailored to their lifestyle.

Outside

The rear garden is a standout feature—generous in size, private, and well-established. A variety of mature shrubs and ornamental trees line the borders, creating a peaceful and attractive outlook. The raised patio adjacent to the house provides a perfect spot for outdoor seating or alfresco dining. To one side of the bungalow, a secondary garden area offers additional outdoor space, ideal for extending the garden further, creating a vegetable plot, or even exploring the potential for extending the footprint of the property (subject to the necessary consents). The bungalow also benefits from a garage and driveway, providing off-road parking and useful storage options.
