GUIDE PRICE
£875,000

Set within one of Taunton’s most sought-after and exclusive addresses, this unique property presents a rare opportunity for redevelopment, extension, or complete transformation (subject to planning).

'Burches' - A detached three-bedroom home set centrally within its generous plot is approached via a privately owned road serving just five other properties, the home enjoys a sense of exclusivity, with a pillared entrance opening onto beautifully landscaped gardens, a sweeping driveway with turning circle, and ample parking.

Enjoying far-reaching views across the surrounding countryside, the property is well-presented yet ripe for enhancement. It has previously received planning permission for a substantial extension (now lapsed), and the approved plans are available for review — offering a glimpse into the full scope of what could be achieved.

Accommodation

The property is entered via a welcoming reception hall which provides access to the integral double garage, the dining room, and a ground floor bathroom. The dining room enjoys a bright dual aspect with windows to the front and side, and features a turning staircase that rises to the first floor. There is also a useful understairs storage cupboard. Double doors lead through to a spacious sitting room, where a large bay window frames beautiful views over the gardens and rolling countryside beyond. An open fireplace at one end of the room creates a warm and inviting focal point. The kitchen is fitted with a range of matching wall and base units and also benefits from dual aspect windows, allowing plenty of natural light. A door leads to a walk-in larder, providing excellent storage, and another door opens to the rear garden. Upstairs, there are three generously proportioned bedrooms, all offering pleasant outlooks. A separate WC serves the first floor, complete with a washbasin and bidet.

Attached to the house is a double garage with internal access from the hall. Stairs within the garage lead up to a loft room above, offering further potential for conversion or storage, subject to any necessary consents.

Grounds & Outbuildings

The landscaped gardens surrounding Burches have been lovingly maintained and are a true feature of the property. Predominantly laid to lawn and bordered by mature hedging and a variety of specimen trees—some of which are magnificent

mature oaks—the gardens provide a tranquil, park-like setting.

A deep paved terrace wraps around the house, capturing the stunning open views. Additional features include:

Timber Summerhouse with paved terrace

Detached Garage/Workshop with up-and-over door

Generous Driveway & Turning Circle with parking for multiple vehicles
