GOODMAN
& LILLEY

Upon entering, you are greeted by a welcoming, light filled entrance hall, with stairs rising to the first floor, as you move through the hall you have access to a useful cloaks cupboard. To the front of the home sits a bright and airy living room, enhanced by a large double glazed window fitted with stylish shutters. A feature chimney breast with ornamental recess adds charm and character to the space, while the layout provides plenty of room for comfortable seating.

To the rear, the property boasts an impressive open-plan kitchen/dining room, spanning the full width of the house – a perfect setting for family mealtimes and entertaining. The kitchen is thoughtfully arranged with a range of mostly base units, a corner wall unit, and a generous pantry cupboard offering additional storage. Expansive work surfaces provide ample preparation space, complete with an inset sink and drainer, metro-tiled splashbacks, and a peninsula-style counter that subtly separates the kitchen from the dining area. The kitchen is fitted with a freestanding electric cooker and extractor hood above, while natural light pours in through a rear-facing double glazed window and French doors, which open out to the rear garden – ideal for indoor/outdoor living during the warmer months.

Upstairs, the first floor features three well-proportioned bedrooms. Two are generous doubles, including the master bedroom, which benefits from built-in wardrobes for excellent storage. The third bedroom is a good-sized single, ideal for a child's room, home office or guest space.

The family bathroom is both stylish and practical, comprising a three-piece suite with a low-level WC, vanity wash hand basin, and a deep panelled bath with shower over and a curved glass screen. A heated towel radiator and attractive encaustic tiled flooring add a touch of luxury and character, while dual aspect windows flood the room with natural light.

The landing provides access to the loft space, as well as a storage cupboard housing the combination gas-fired boiler. A side window enhances the sense of space and brightness.

Outside

The rear garden is a true highlight of the property, thoughtfully landscaped for both relaxation and entertaining. French doors from the kitchen open onto a decked seating area, perfect for morning coffee or summer dining. This leads onto a generous expanse of level lawn, ideal for children or pets. To the side of the garden is a charming patio area, sheltered by a timber pergola with an established wisteria providing natural shade and seasonal colour. This tranquil corner is a perfect during warmer months.
