Additional benefits include a tandem double garage, useful carport, and extensive off-road parking, all approached via a private driveway. Light-filled rooms, high-quality finishes and versatile living spaces combine to create a comfortable and exceptionally well-maintained family home.

Local Area

Failand is a highly sought-after commuter village, offering excellent links into central Bristol by car or public transport, with a bus stop within walking distance. Local amenities include a charming farm shop and café, perfect for a morning coffee. The nearby town of Nailsea provides a wide range of facilities, including primary and secondary schools, shops, bars, and supermarkets. Just over three miles away, the vibrant area of Clifton is easily accessible, while Ashton Court Estate is close by, offering 850 acres of rolling parkland, deer, play areas, golf courses, cafés and gardens — ideal for outdoor recreation and family days out.

Ground Floor

Accessed via a private driveway with a beautifully maintained front garden, this immaculate detached family home immediately impresses. The approach provides comfortable parking for at least four vehicles and gives access to both a tandem double garage and a highly practical carport, ideal for ease of entry in all weathers. Stepping inside, a bright and welcoming hallway with hardwood flooring sets the tone for the rest of the home, showcasing the care and attention the property has received. To the front, two well-proportioned double bedrooms enjoy open countryside views, with one benefitting from a bespoke range of Avanti fitted wardrobes. These rooms are served by a stylish downstairs wet room. To the rear, the accommodation opens up into an exceptional living room, filled with natural light and featuring sliding doors onto the extensive garden. Adjacent lies a stunning kitchen/dining room, thoughtfully

designed by the current owners with sleek grey cabinetry, Quartz worktops, integrated appliances including a hot tap, and a sociable breakfast bar with induction hob. The space is large enough to comfortably accommodate a family dining table, with further doors leading directly to the garden, creating the perfect setting for entertaining. A well-appointed utility room, a second contemporary shower room and a practical boot room with garden access complete the ground floor.

First Floor

Stairs rise to a spacious landing where a large Velux window floods the space with natural light, making it the ideal spot for a study corner or reading nook. From here, doors open to two generous double bedrooms and an additional shower room. The principal bedroom is positioned to the rear, enjoying wonderful views over the landscaped garden, and is enhanced by a bespoke range of Avanti wardrobes together with a custom-built walk-in dressing room offering extensive storage. The second upstairs bedroom is equally impressive, boasting far-reaching countryside views to the front, a wealth of fitted wardrobes and the benefit of useful caves storage. A shower room completes the first floor, ensuring both bedrooms are well served.

Garden & Garage

The extensive rear garden measures approximately 100ft and has been thoughtfully landscaped by the current owners to create a series of attractive, functional zones. A sun-drenched patio, accessible from both the kitchen/dining room and living room,

provides the perfect space for outdoor dining and entertaining. Beyond this, a manicured lawn is bordered by mature shrubs, offering a sense of privacy and seclusion, while a vegetable plot and greenhouse at the rear provides an opportunity for homegrown produce. Further enhancing the outdoor space, a charming summerhouse sits to the rear of the garden, ideal for relaxing or working from home. Convenient access is also provided to the tandem double garage, which benefits from electricity, lighting, a rear window, and extra ceiling height, making it both practical and versatile.
