# AN EXTENDED LINK-DETACHED FAMILY HOME SITUATED WITHIN THE EVER-POPULAR BRAMPTON WAY ESTATE, OFFERED TO THE MARKET WITH THE ADDED ADVANTAGE OF NO ONWARD CHAIN.

The ground floor provides versatile and well-proportioned accommodation, including an extended reception room offering excellent potential for use as a fourth bedroom, guest suite or annex-style accommodation, with direct access to the rear garden via uPVC doors opening out onto the patio. There is also a welcoming entrance hall with cloakroom, a spacious living room, and a separate dining room open to the staircase, also benefitting from uPVC doors opening onto the rear garden.

The fitted kitchen is equipped with a cooker, induction hob and fridge, along with space for additional appliances and two useful pantry cupboards. Internal access leads to the garage, which provides additional storage, plumbing for a washing machine, and space for two large fridge freezers.

The current layout offers exciting scope for further improvement and reconfiguration, subject to any necessary consents. The existing extension presents an ideal opportunity to re-site the kitchen to the rear of the property, creating a more contemporary open-plan layout, or to open the current kitchen into the dining room to form a generous kitchen/dining/family space suited to modern living and entertaining.

To the first floor, there are three bedrooms, an airing cupboard, and a wet room.

The property benefits from a boiler and radiators installed in 2021, as well as an up-to-date gas safety certificate and EICR, both dated 2026.

Externally, the property enjoys a south-facing rear garden, ideal for outdoor living, with a large shed for storage and an awning providing welcome shade on sunny days. To the front, there is off-street parking.
