

345 NORE ROAD, PORTISHEAD BS20 8EX

GUIDE PRICE £650,000

A staircase from the entrance hall leads to the first floor, where the third bedroom provides a further substantial room measuring 16'4" x 11'4". This bedroom benefits from its own en-suite shower room, creating a private suite that could be particularly well suited to visiting guests, an older child or a family member seeking more independent accommodation. Having the third bedroom on a separate floor from the other two offers additional flexibility and a useful degree of separation.

OUTSIDE

The property benefits from a generous, multi-level rear garden, offering a variety of spaces for outdoor entertaining, family activities and relaxation. The main area is a large paved terrace adjoining the house, providing ample room for outdoor dining and seating. There is a garden dining set, a separate picnic bench and a substantial trampoline, making this an appealing space for families. Steps lead up to an elevated lawn, which creates a further area for recreation and play, with additional steps continuing up the garden. Beyond the lawn, the garden extends into a more natural, wooded setting, featuring mature trees, established shrubs and a secluded, leafy atmosphere. A further section incorporates a rustic woodland area beneath a large mature tree, with a hanging swing and natural ground cover. The combination of paved terraces, lawn and woodland gives the garden a distinctive sense of depth and variety, with different areas to enjoy throughout the seasons.

GARAGE & DRIVEWAY

A long, private driveway provides access to the property, leading up to an integral garage beneath the main house. The driveway has a tarmac surface and is bordered by attractive stone retaining walls, with steps to one side providing access to the property. The property's elevated position creates an appealing approach and offers views across the estuary. The garage provides useful secure storage and potential off-street parking, while the driveway offers additional space for vehicles.
