### Summary

A bright and welcoming reception hall provides access to the principal ground floor rooms, immediately conveying a sense of space and light. The hall features practical under-stairs storage and elegant flooring, leading to a Cloakroom, a generously sized Study with a bay window ideal for working from home, and an elegant Sitting Room. The sitting room is enhanced by a contemporary living-flame gas fire and a walk-in

bay window, creating a warm and inviting focal point. Glazed double doors open into the dining room, which flows seamlessly into the garden Room, complete with underfloor heating and French doors opening onto the rear garden, perfectly combining indoor and outdoor living.

The Kitchen/breakfast Room forms the heart of this family home and has been thoughtfully designed to combine style with functionality. It is fitted with a stunning contemporary range of wall and base units with Quartz work surfaces, a central island with built-in sockets, and a suite of integrated appliances including an electric oven, grill/microwave, hob, extractor, and dishwasher. Natural light floods in through two Velux skylights and a rear-facing window, while underfloor heating ensures a comfortable and practical space for everyday family life. A well-appointed Utility Room with matching units and inset stainless steel sink provides additional storage and practicality, along with convenient internal access to the Double Garage.

To the first floor, a bright and airy galleried landing leads to four well-proportioned bedrooms and two bathrooms, offering a flexible layout for family living. The Principal Bedroom benefits from built-in wardrobes and a stylish En Suite Shower Room, fully tiled and fitted with a large walk-in rainfall shower, vanity units, and a heated towel rail. Bedrooms two, three, and four are all generously sized, with several enjoying rear aspects with far-reaching hillside views, while a modern Family Bathroom completes the first-floor accommodation.
