The BLYFORD is a three-bedroom DETACHED home, briefly comprising an entrance hallway, guest WC and generous lounge, kitchen diner with French doors to the rear garden and utility. Upstairs benefits from three bedrooms, dressing room, a family bathroom and an ensuite. Externally there is a single garage, private rear garden and driveway.

All David Wilson Homes come with a 10-year NHBC Buildmark warranty – this means they have complied with the NHBC Standards which set out the technical requirements for design, materials and workmanship in new home construction. So you can buy one of their spacious new homes with confidence.

David Wilson Homes use highly thermally efficient insulation and argon-filled double-glazing as standard, which allows the heat from the sun in whilst minimising heat loss. So no matter how cold it is
