Offers Over £350,000

Built approximately 20 years ago by the well-regarded builders Hartog and Hutton, this attractive semi-detached home is finished to a high standard and offers an appealing blend of modern living with countryside views.

Constructed in traditional rendered style beneath a tiled roof, the property provides immaculately presented accommodation with a light and airy feel throughout. Outside, there is a low-maintenance rear garden, and the home is pleasantly situated in a small, non-estate cul-de-sac on the edge of the popular and well-served village of Elmswell.

The property benefits from oil-fired radiator central heating and double glazing. The accommodation which has been significantly improved by the current owner, briefly comprises an entrance hall with stairs rising to the first floor and access to a cloakroom. The dual-aspect sitting room is a welcoming and cosy space featuring an attractive fireplace. The kitchen/dining room is ideal for both everyday living and entertaining, having been refitted with an extensive range of high-quality units providing ample cupboard and drawer space beneath quartz work surfaces. Integrated appliances include a single oven and ceramic hob with space for a fridge/freezer. There is a useful integral storage cupboard housing the boiler (approx 10y old). French doors opening onto the garden complete this beautiful and practical room. The kitchen is brand new and was completed in September 2025.

To the first floor, a landing leads to three well-proportioned bedrooms and a stylish refitted bathroom, featuring a vanity wash basin with storage beneath and a bath with shower over, completing the first-floor accommodation.

Outside

To the front, the property is approached via a neatly maintained lawn with well-stocked planted borders and block-paved parking area, in addition to driveway parking in front of the garage. The garage offers excellent versatility with up-and-over door, power supply and office/storage area to the rear, making it ideal for home working or hobbies.

The fully enclosed rear garden provides a private and family-friendly outdoor space which is predominantly laid to lawn with a patio area perfect for alfresco dining and entertaining. A courtesy door offers convenient access to the garage.

Location

The house enjoys a delightful position on the very edge of the small exclusive development, benefiting from open views and creating a pleasant sense of space and outlook. The property lies within the school catchment area for Thurston Community College and easy access to amenities.

The well-served village of Elmswell is situated approximately eight miles east of Bury St Edmunds and just north of the A14 dual carriageway, providing excellent road links to Ipswich, the East Coast, Bury St Edmunds, Cambridge, the Midlands and London via the A14/M11.
