"It's not often you find a bungalow that ticks so many boxes. Beautifully maintained inside and out, this home is ready to move straight into, yet its generous corner plot still offers exciting potential for the future. The three double bedrooms, upgraded kitchen and peaceful setting make it an incredibly versatile home, whether you're downsizing, upsizing or simply looking for single-storey living without compromise."

CORNER PLOT COMFORT WITH ROOM TO GROW

Beautifully presented throughout and occupying an enviable corner plot, this detached bungalow is the perfect blend of move-in-ready comfort and future potential.

With three genuine double bedrooms, generous living space, ample gated parking and scope to extend (subject to permissions), this is a home that offers so much more than first meets the eye.

THE FINER DETAILS

Having been lovingly cared for by the current owners for the past 14 years, this detached bungalow offers deceptively spacious accommodation throughout.

The property features three genuine double bedrooms, a modern fitted kitchen, contemporary tiled shower room and a generous lounge complete with a multi-fuel burner installed around three years ago. A replacement boiler, fitted approximately four years ago, provides peace of mind, while the extended gated driveway comfortably accommodates three vehicles and benefits from an EV charging point. The detached garage and generous corner plot further enhance the home's appeal, with plenty of scope for future extension or landscaping should the next owners wish to make it their own.

Stepping inside, you're welcomed by a spacious central hallway that creates an easy flow throughout the home. The generous living room is warm and inviting, centred around the multi-fuel burner which provides a cosy focal point during the colder months. The modern kitchen has been thoughtfully updated with an excellent range of fitted units and offers ample worktop space, storage and room for dining, making it equally suited to everyday family life and entertaining. Every room has been exceptionally well maintained, creating a home that's ready to enjoy from day one.

The bungalow boasts three well-proportioned double bedrooms, offering fantastic flexibility whether you require family accommodation, guest bedrooms or a dedicated home office. Each room enjoys plenty of natural light and excellent floor space, while the stylish tiled shower room has been modernised to provide a fresh, contemporary finish. The practical single-storey layout makes this an ideal home for a wide variety of buyers looking for both comfort and convenience.

Positioned on an attractive corner plot, the outside space is every bit as impressive as the interior. The neatly maintained gardens are bordered by established hedging, creating a private and welcoming setting that's easy to maintain. To the side, the extended gated driveway provides parking for up to three vehicles and includes an EV charging point, while the detached garage offers additional storage or workshop space. The size of the plot also presents exciting potential for future extension or further landscaping, subject to the necessary planning permissions.
