"Some homes simply have that feeling the moment you arrive, and this is one of them. Beautifully cared for, wonderfully spacious and with an outdoor space that's every bit as impressive as the house itself, this is a home that's been made for family life. Add the enormous driveway and the fact it's offered with no onward chain, and it's easy to see why I think this one won't stay available for long."

WHERE FAMILY LIFE FLOURISHES

More than just a house... this is somewhere to put down roots.

From the moment you step inside, this detached home feels warm, inviting and effortlessly liveable. The living spaces have been designed to bring people together, while outside awaits a garden that truly steals the show—a place for summer barbecues, children's adventures, quiet morning coffees and evenings spent with friends. Beautifully presented throughout and ready for its next owners to simply unpack and enjoy, this is a home that's ready to become part of your story.

THE FINER DETAILS

Behind its attractive frontage lies a deceptively spacious detached home offering over two floors of flexible family accommodation. Three generous bedrooms, two bathrooms, spacious reception areas, a conservatory, garage and exceptional off-road parking combine to create a home that will comfortably adapt as your family grows. Every room has been lovingly maintained, meaning buyers can move straight in without the need for costly improvements—and with no onward chain, the next chapter could begin sooner than you think.

The entrance begins with a handy porch before leading to a convenient ground floor shower room with WC. From here, the home opens into a wonderfully spacious lounge where the open staircase maintains an open, flowing feel. The lounge naturally leads into the versatile office/dining room space. Sliding doors lead into the conservatory, a lovely additional space bathed in natural light, with French doors opening directly onto the garden beyond. The kitchen is both practical and generous, offering an abundance of cupboard storage and extensive worktop space. A rear door provides direct access outside, making summer dining and family gatherings effortless.

Upstairs, the central landing provides access to all three bedrooms. The master bedroom offers an impressive amount of space, while the second bedroom benefits from fitted wardrobes to maximise storage. Bedroom three also includes a useful built-in cupboard above the stairs, making it an ideal children's bedroom, nursery or home office. Completing the first floor is a well-appointed family bathroom fitted with a three-piece suite including a bath.

Thoughtfully landscaped to create a series of inviting outdoor spaces, it effortlessly blends decked entertaining areas, paved seating terraces and an artificial lawn to create an environment that's as practical as it is beautiful. This exceptional garden offers something for every season. To the front, the property continues to impress with an generous private driveway providing parking for five vehicles—a rare luxury that perfectly complements the garage which has an electric door.
