POTENTIAL NOT TO BE MISSED...

This three-bedroom semi-detached house in Mansfield presents a solid opportunity for buyers seeking a home with scope for improvement. Ideally suited to those wanting to add value or personalise their living space, the property would benefit from some modernisation and general updating throughout — but offers plenty of potential.

On the ground floor, you'll find a well-proportioned living room featuring a bay window, allowing in plenty of natural light and giving the space a bright, airy feel. The kitchen, located at the rear of the property, provides access to two handy outdoor storage sheds via a side entrance — ideal for tools, bikes, or garden equipment.

Upstairs, the first floor hosts three bedrooms of varying sizes, along with a family bathroom complete with a bath. The layout is functional and could be easily reconfigured or refreshed to suit modern needs.

Externally, the home benefits from a walled front garden offering privacy from the street, and a generously sized rear garden — mainly laid to lawn — with a patio area that could be ideal for family use, outdoor dining, or entertaining with some TLC.

A great prospect for first-time buyers, investors, or anyone looking for a project in a popular residential area.
