“This is a really special bungalow. The finish is beautiful, the layout flows so naturally, and the kitchen and main bedroom are particular highlights. It has that lovely feeling of luxury without losing the warmth of a home, and the garden finishes it off perfectly. It’s one I think someone will fall in love with as soon as they walk through the door.”

THE FINER DETAILS

A beautifully renovated three-bedroom detached bungalow offering luxurious single-storey accommodation, a stylish open-plan kitchen diner, main bedroom dressing area, two bathrooms and an integral garage.

The layout has been carefully designed to create a lovely sense of flow throughout. The entrance hall connects the bedrooms, family bathroom and main living space, while the impressive kitchen diner occupies the rear of the property. The main bedroom benefits from its own dressing area and en-suite, with a separate utility room adding everyday convenience.

The welcoming entrance hall provides access to the accommodation. To the rear, the impressive open-plan kitchen diner forms the heart of the home. Beautifully arranged with an extensive kitchen area and central island, it offers an inviting setting for cooking, dining and entertaining. Large skylights flood the space with natural light, while french doors open directly onto the decked garden terrace, creating a seamless connection between inside and out. A separate utility room sits alongside the kitchen, keeping laundry and household tasks conveniently tucked away.

Bedroom Two and Three are positioned towards the front and sit on opposite sides of the hall, close to the family bathroom, creating a practical arrangement for family or guests. The main bedroom is a standout feature, offering a generous sleeping area which leads through to a dedicated dressing room and private en-suite shower room. This thoughtful arrangement gives the bedroom suite a luxurious, boutique-hotel feel while keeping the dressing and bathing areas neatly separate.

The rear garden is enclosed and attractively framed by established shrubbery, providing a lovely sense of privacy. Immediately outside the kitchen diner, the decked terrace creates an ideal spot for outdoor dining and entertaining, with the lawn extending further down the garden to provide additional space to relax and enjoy the surroundings. To the front, the property has an attractive, neatly presented frontage and an integral garage, adding useful storage and practicality while complementing the bungalow's smart overall appearance.
