THE FINER DETAILS

A beautifully presented four-bedroom detached home with two reception rooms, a kitchen diner, utility area, downstairs WC and main bedroom ensuite, complemented by a driveway, garage and an unoverlooked rear garden backing onto open fields, with stunning views that create an exceptional sense of space and tranquillity.

The welcoming hallway leads through to a separate living room, providing a comfortable space to relax away from the busier areas of family life. The kitchen diner forms the heart of the home, with plenty of room for cooking, dining and spending time together. A separate utility area keeps laundry and household tasks neatly tucked away, while the convenience of a downstairs WC is always welcome. There is also a versatile additional reception room, ideal as a snug, playroom, home office or occasional guest space, depending on what suits your needs.

Upstairs, four bedrooms provide comfortable accommodation, with flexibility for family life, guests or working from home. The main bedroom benefits from its own ensuite, while the remaining bedrooms are served by the family bathroom. With the home already presented so beautifully, the rooms are ready to enjoy from day one.

To the front, a driveway provides off-road parking alongside a detached garage. The rear garden offers a lovely combination of lawn and space to sit out and enjoy the surroundings. However, the real standout feature is the beautiful open view across the fields beyond, creating a wonderful sense of space, privacy and connection with the surrounding countryside. With no properties overlooking the garden from the rear, the outlook provides a particularly special backdrop to everyday life, allowing you to enjoy a peaceful, open aspect while remaining within the village. It is a feature that truly sets this home apart and one that can be appreciated from both the garden and the kitchen, making the most of the stunning views and the feeling of space they bring.
