A welcoming hallway leads into a charming lounge featuring a bay window and log burner, while the heart of the home is the impressive kitchen/diner with folding doors opening into a bright conservatory. From here, French doors provide direct access to the rear garden, with further access to a useful utility room and ground floor WC completing the downstairs layout.

The second floor offers a versatile loft room with skylight, ideal as a home office, guest space or hobby room.

Externally, the rear garden is arranged over two levels, featuring a paved patio area accessed directly from the conservatory, leading to a landscaped garden with astroturf, decked seating area and a summer house positioned at the far end. To the front, the property is set behind a low wall with a gravel frontage and an open porch providing a welcoming entrance.
