THREE FLOORS, ENDLESS POTENTIAL!

A spacious three-bedroom town house arranged over three floors, with two bathrooms, generous storage, private garden and convenient parking.

Offering generous accommodation across three floors, this three-bedroom town house is a home that gives you plenty of space to grow into. The layout is practical and versatile, with a comfortable living room, separate kitchen, two bathrooms and excellent built-in storage, while French doors connect the lounge with the enclosed rear garden.

THE FINER DETAILS

Three floors of well-planned accommodation with generous storage, private outdoor space and plenty of scope to make the home your own.

The welcoming entrance hall leads into the ground floor accommodation, with a separate kitchen and spacious living room. The kitchen features a serving hatch, creating a lovely open connection between the two rooms while retaining their separate identities. French doors from the lounge open directly onto the rear garden, bringing plenty of natural light into the living space, while a downstairs WC adds everyday convenience.

The first floor provides two well-proportioned bedrooms, with Bedroom Two benefiting from built-in wardrobes. A three-piece family bathroom serves this level, while useful storage is also provided from the landing, helping keep everyday essentials neatly tucked away.

The entire second floor is dedicated to the impressive main bedroom, creating a fantastic private retreat. There is an abundance of built-in wardrobe storage, along with a modern en suite shower room, giving this floor a real sense of privacy and making excellent use of the three-storey layout.

To the front, a private driveway provides parking for one car. To the rear, the enclosed garden offers a good balance of lawn and paved patio, creating space for outdoor seating, entertaining and enjoying the warmer months. With direct access from the lounge, the garden becomes a natural extension of the living space.
