This four-bedroom family home has been extended and updated to create a practical, well-presented living space. At the centre is a modern refitted kitchen and dining area, supported by a utility room. The living room, with its wood-burning stove and underfloor heating, offers a comfortable place to relax, while a separate study provides useful flexibility on the ground floor.

Upstairs, there are four good-sized bedrooms, including a main bedroom with en-suite, and a contemporary family shower room. Outside, the rear garden has been landscaped for easy maintenance and outdoor dining, while the front of the property features a block-paved driveway with parking for two vehicles. The house is within easy reach of the village centre, giving access to local shops, amenities, and well-regarded schools.
