This great modern apartment features a private garden, creating a fantastic outdoor extension to the main living area. With four malls and over 200 shops, boutiques and brand name fashionable flagships, Canary Wharf offers retail therapy at every level. Factor in the additional 100,000 Sq/Ft of retail space being created within the six storey Crossrail hub on West India Quay and shopping will take on a new dimension for residents at St Andrews.

With such a cultural and cosmopolitan showcase so very near. The significance of owning a luxury apartment at St Andrews Development becomes even more attractive. Endless nautical and recreational pursuits, and over 20 acres of Landscaped open space, Canary Wharf is as much a life style as location.
