Roundmead Close, Loughton, IG10

BUTLER & STAG

Situated in one of Loughton's most sought-after areas, this three-bedroom family home is coming to the market for the first time in many years, having been lovingly owned by the same family across generations.

Freehold

Offering fantastic potential, the property is now in need of modernisation, making it an ideal opportunity for buyers looking to add their own style and value.

The home features a spacious living room and a separate dining room, providing generous living space throughout the ground floor. The kitchen, which also opens directly onto the rear garden, offers the potential for redesign or extension (subject to planning). Outside, the mature garden creates a private and peaceful space to enjoy, and the property also benefits from a good-sized garage.

Located close to local shops, excellent schools, and transport links, this is a rarely available opportunity to secure a home in a well-established and desirable part of Loughton.
