To the front of the property is a cosy living room with bay windows facing the green. Moving forward you are welcomed into the expansive Kitchen / Breakfast room which flows perfectly into the light and airy full-width conservatory which when combined provide the perfect entertaining space. There is also a further lounge leading into the conservatory. The property offers extensive storage and a guest cloakroom completes the ground floor. The interior successfully blends traditional detailing with a light minimalist aesthetic, giving a sense of bright, light modern living whilst remaining true to the original features of the property.

Upon entrance to the first floor, you are greeted by two of the three excellent-sized bedrooms. The master bedroom has an en-suite bathroom and stunning views across the green. There is also a generously-sized family bathroom to service the other two bedrooms. A second staircase then leads to another spacious bedroom which has development potential for a further en-suite bathroom.

The south-facing rear garden is primarily made up of lawn with some mature trees and shrubs and measures just under 100ft in length. The conservatory leads out onto a large patio area which provides versatile entertaining space while discretely lowering maintenance.

Pendennis is regarded as a premier location within Theydon Bois, walking distance to central line station for easy access in to the City, Canary Wharf and West End. Theydon Bois Village itself hosts local shops, two pubs, a children's park, the Village Green and easy walking access to Epping Forest.
