This property, located on Tower Road in Epping, was originally purchased by the owners in 2016 as a single-storey two-bedroom bungalow. Since then, it has undergone a complete refurbishment and transformed into a four-bedroom detached house. The location is highly convenient, as it is situated in close proximity to shops, eateries, and the central line for easy transportation.

Upon entering the property, you are greeted by a spacious entrance hall, which sets the tone for the rest of the house. The ground floor boasts several notable features, including a separate living room for relaxation and privacy. The heart of the home is an open-plan kitchen-diner and lounge area which has WET underfloor heating. This space is designed to maximize natural light and connectivity with the outdoors, thanks to large sliding doors open to the garden.

The kitchen area is particularly impressive, featuring hand-made cabinets crafted from tulip wood, while the internal components such as cupboards and drawers are made from solid oak. The ceramic flooring tiles add a touch of elegance to the back room, where the kitchen is located. The kitchen is well-equipped with modern amenities, including two dishwashers (one in the utility room), three ovens, a microwave, a warming drawer, and both gas and electric hobs. Additionally, a convenient Zip tap provides instant boiling water. The ground floor also includes a pantry for storage, a utility room, and a WC for added convenience.

Moving to the first floor, there are four well-sized bedrooms, offering ample space for the occupants. The master bedroom is particularly spacious and includes its own en-suite bathroom, providing a private retreat. Additionally, there is a family room on this floor, providing an extra space for relaxation or entertainment.

Stepping out through the sliding doors on the first floor, you will find a decking area that overlooks the garden. The remaining portion of the garden is laid to lawn, providing a green and serene outdoor space.

Overall, this property has been thoughtfully refurbished and extended, transforming it from a two-bedroom bungalow into a spacious four-bedroom detached house. Its convenient location, stylish interior, and well-designed living spaces make it an attractive option for prospective buyers.
