The ground floor accommodation comprises of three reception rooms the third of these also incorporates the kitchen/diner. There is also a separate utility located off the kitchen and a separate shower room to complete the downstairs.

The first floor is equally as impressive offering four good sized bedrooms with three accompanying fitted wardrobes, a spacious family bathroom and the added bonus of a second separate w/c.

Externally, the 121 ft south facing rear garden offers an initial crazy paving patio which then leads onto a well maintained lawn extending to the back fence. The gardens boundary offers various shrubs and trees planted by the current owner a number of years ago to provide maturity and privacy. The frontage could easily accommodate security gates if so desired, giving complete privacy from passers-by and complimenting the deeply set-back position of the house from the road.

Coppice Row is one of Theydon Bois' most prestigious roads and contains some of the area's finest properties. It lies within easy reach of local amenities including the Tube Station, shops and Forest.

Theydon Bois is arranged around its village green, which encompasses a duck pond and hosts various events during the year. There are also local shops that cater for daily needs and a selection of restaurants for dining out. There is a primary school within the village, together with a Montessori Nursery. Theydon Bois also has a sporting atmosphere with its golf, tennis and cricket clubs, whilst the Tube Station makes Central London very accessible.
