Valley View is a small, private development of just four unique detached four-bedroom homes that have been built to offer the highest specification and modern contemporary design arranged over two floors.

Attention to detail on finish and energy efficiency is evident throughout, including solar panels fitted in the rear garden and underfloor heating to the ground floor.

Accommodation comprises an inviting entrance hall, formal living room to the rear and bi-fold doors out to the rear garden, guest cloakroom, utility room and stunning kitchen/dining/ living room defined by the feature island.

The fully fitted kitchen has been designed and imported by the Krion Porcelanosa Group and will include integrated Siemens appliances and Kiron solid surface Countertops. The flooring in the living space will be laid in "plank style" Ployflor with bedrooms and stairs carpeted in soft neutral tones. Modern Porcelanosa tiled bathrooms will be fitted with vanity units and Ployflor flooring as the providing a natural flow throughout the house.

The first-floor is accessed via a solid Oak staircase with glass balustrade, the bedrooms can be finished with handmade built-in wardrobes available upon request. The master-suit enjoys a superb shower room alongside a vast dressing area and adjoining family bathroom. Handy storage in the loft is accessed above.

The properties are set back and accessed via a private driveway. They offer an Indian sandstone finished patio and turfed rear gardens. There is also a garage with up and over door alongside modern car charging points.

Named accordingly, all plots occupy an elevated position within the village and offer breath taking views spanning across the Essex countryside as far as the eye can see.

Valley View is located in Epping Green in the district of Epping Forest, in Essex. It sits approximately 3 miles from Epping, 6.5 miles from Loughton and 4.5 miles from Harlow Town Centre. The area is predominantly residential in character, with an abundance of green space being in a semi-rural locality. The area benefits from good road and rail links, with the M25, A10 and M11 a short distance to the south providing access in and out of London. The development is situated 4 miles door to door from Epping Central line station or 3.4 miles south to Roydon Overground Station which both provide services to Central London via London Liverpool Street Station in approximately 33 minutes.
