## Price Guide £345,000

Situated adjacent to Woodford Central Line Station, there is something for everyone within this exclusive development with its mixture of spacious, one and two-bedroom apartments.

The interior spaces are defined by LVT flooring, two-toned kitchen units, and veined quartz work surfaces which add visual excitement and depth to the room.

Each apartment enjoys custom-built kitchen cabinetry which embraces a sense of timeless style and functionality, making it an enduring design that fits perfectly for this brand-new building. All kitchens have top-of-the-range Zanussi integrated appliances that provide all the features necessary to accommodate a contemporary lifestyle for the new owner.

The bathrooms exude sophistication and comfort with spa-like retreat qualities where functionality and aesthetics have come together to provide a relaxing place to be. Large format textured grey tiles line both the floor and walls providing hallmark qualities of a modern bathroom. All concealed taps, shower valves, and shower heads are sleek in design and have a chrome finish. Wall-hung toilets and basins are a running theme as are the spacious walk-in showers with glass enclosures that provide a functional space.

All of the apartments within Chantal Court have their own private outdoor space but none more so than plots 2 and 3 which both boast lawned landscaped gardens. This new development offers a popular urban location whilst being surrounded by wide-open green spaces, yet still providing access to central London within a short train or car journey.

All apartments offer bedrooms large enough for a double bed and plenty of space to spare for wardrobes.
