The modern kitchen is located at the rear, with direct access to the garden, and there's also a convenient ground-floor shower room.

Upstairs, the first floor offers four well-proportioned bedrooms and a family bathroom, providing ample space for both rest and storage. A basement level adds valuable additional space, suitable for storage, a gym, or a hobby room.

The property also benefits from a large outbuilding in the garden, currently arranged as a shed, offering potential for a home office, studio, or conversion to a garden room. This home blends generous living space with flexible layout options, perfect for modern lifestyles.

Living in Ilford offers a great mix of community, green space, and convenience. The area is home to several well-regarded schools, including Valentine's High and Oaks Park High, making it ideal for families. At the heart of Ilford is Valentines Park—a large, award-winning space with gardens, play areas, sports facilities, and the historic Valentines Mansion.

Transport links are excellent, with Ilford Station on the Elizabeth Line providing fast access to central London, and nearby Central Line stations and bus routes offering great connectivity.
