Step inside the spacious communal entrance hall with its sweeping staircase up to this 2nd floor apartment. The apartment has a large kitchen/breakfast room with plenty of space for a table, a mixture of base and wall units and French doors to the lounge. The spacious lounge has natural light flooding in from two windows and wooden flooring completes the room. Two double bedrooms, one of which has custom-made bunk beds, and a larger than average family bathroom with shower over the bath complete the layout.

There are a number of supermarkets, an eclectic mix of shops, bars and restaurants and a bus depot with services across the county, all within walking distance of the property. The property would make an ideal buy to let investment or would suit a multitude of private buyer situations.
