A fine example of a Victorian terrace home located just outside Lewes Town centre. Lewes is the county town of East Sussex and boasts a 1000 years of history on the High Street, a great mix of independent shops and businesses, main line train station to London and access to the South Downs National Park offering 1000's of acres of land to explore. Brighton is just a 10 minute drive away and the coast is 15 minutes.

The property is located at the top end of Western Road, a 10 minute stroll back into the town centre. This cosy home has been updated and modernised by the current owners and provides light and bright accommodation over three floors. The ground floor offers a welcoming sitting room with character fireplace containing a cast iron wood burner. Through to the kitchen / dining room with new kitchen and space for a table and access out into the south facing walled courtyard style garden. The Modern family bathroom is also on the ground floor.

Upstairs you will find three bedrooms over two floors - the second floor bedroom coming in at over 20ft in length. All with new décor and flooring throughout. Many of these houses have had the bathroom moved up in the smaller of the three bedrooms and the original bathroom turned into a utility room.

This is great value if you need three bedrooms - especially if you need one as an office to work from home.

Internal viewings are highly recommended to appreciate this lovely cottage..
